1. Tournament is a double elimination tournament with best two out of three in each match. The winner will be placed in the winner's bracket and the loser in the loser bracket. The winner of the winner's bracket and the winner of the loser's bracket will play to get the winner of the tournament.

 3. Closest to the hole = One point, Leaner = Three points, Hole out = Five points. Any tie is no points for the washers that made the tie all other washers are still in play. A leaner is a leaner no matter how far over the hole it is leaning.
 4. Washers must be thrown even with or behind the pit holes.
 5. When the match has been decided the winner of the match shall report the outcome to the judges table.
 6. Washer pits will be placed 21' apart from center of hole to center of hole.
 7. To determine who will "pitch" first to start the game each player will throw one washer toward the opposite board and whoever gets closest to the hole will be the first to throw. After the game has started, the person or team who scored last will throw first.
